*"We come to school to live and learn happily together by  
loving ourselves and each other as Jesus teaches us"*

Wednesday 28<sup>th</sup> February 2024

Dear Parents and Families,

**Marie Curie Week of Reflection 4<sup>th</sup>- 8<sup>th</sup> March 2024 from 8:30-8:50 in our Library**

Marie Curie are having a Day of Reflection on Sunday 3<sup>rd</sup> March to remember everyone who died during the pandemic, to support families who are grieving, and to take time to recognise and reflect on the sorrow, collective loss and unresolved grief that emerged from such unusual times.

As a school we would like to invite our parents and community to remember, reflect and honour their loved ones who have passed, before, during and after the pandemic.

The library will be prepared as a quiet reflection sanctuary for you to take a moment, a minute of silence or longer to pray, write their loved one's name, share a memory, a drawing, read a prayer etc. Give yourself this time to acknowledge your grief, take time and space to reflect and remember, and to support one another.

To access the library please use the car park entrance. Due to safeguarding we are looking for some parents to offer their time to man this entrance. If you are able to help please contact the office.

There will be a variety of templates available to decorate and share the name or memory of family and friends who have died, this can be added to the display board provided to build a 'Wall of Reflection'.

Yours sincerely
