Dear Parents and Carers,

Happy New Year and welcome back! It's lovely to see all of the children come in settled and raring to go for another exciting term. Our topic for this term is Frozen Kingdom, so if you are going to the local Library, try to find some interesting fact books about animals that live in the Polar Regions and let us know what you have found out!

Learning Journal Sharing Session

On Thursday 25th January we will be holding a Learning Journal Sharing Session from 8.40am-9.00am. This is a wonderful opportunity for you to look at your child's Learning Journal with them and ask them about the fabulous work they have completed so far. A short comment form will be provided so that you are able to share your thoughts about your child's learning.

Sound of The Week

On Monday please bring in something beginning with the sound 'a' to show the class.

Homework

We will now be setting homework using Teams. By accessing the class page, you will have access to practical, fun activities that link to our learning during the week. Once children have completed the activities, please message back with a photo and any comments that you have. We look forward to seeing all the work!
